

# Why do I need travel insurance?

Because sometimes...

## **You have to cancel a trip last-minute.**

Travel Insurance can reimburse you for your prepaid, non-refundable trip costs – including vacation rentals, car rentals, hotels and flights – if you have to cancel for a covered reason.

## **Travel delays leave you stranded.**

Travel insurance can reimburse you for eligible meals, accommodation and transportation expenses during a covered delay.

## **You get sick or hurt when you're far from home.**

Travel insurance can reimburse you for care following a covered medical emergency while traveling. We can even arrange and pay for a medical evacuation if needed, following a covered injury or illness.

## **Fender-benders are unavoidable**

Renting a car means taking on a big financial risk; even a tiny scrape can cost you hundreds. Low-priced rental car insurance lets you drive worry-free.

## **You need help in a hurry.**

Whether you're planning a week-long road trip or a weekend getaway, you never know what might happen. Travel insurance gives you access to our 24-Hour Assistance hotline for expert, personalized support in a crisis.
